SENIOR CLASS of
Anderson High School
ANDERSON INDIANA

DEDICATION

We dedicate this book to the city of Anderson,—to those who are endeavoring to make Anderson a center of culture and refinement, and to those who are promoting its marked industrial development. To build a city is a task too great for one person, for one group of people, or for one generation. It is the result of the combined efforts of the merchant, the industrial chief, the professional man, the dreamer, the whole body of the citizens of Anderson. May this book be, in some measure, an inspiration to them to continue their efforts.

FOREWORD

A portrayal of school life as it exists, and a recognition of the factors which contribute to our growth and development have been our aim in this book. We have essayed to acknowledge progress in buildings and in extended courses of study—the material side of school life. But more important than this is our debt to those who foster our school spirit and loyalty,—the athletic organizations, clubs and faculty.

The success which we, the Senior Class of 1927, have achieved in our various endeavors and in the publication of this book, we attribute to the constant encouragement and guidance of our sponsors, Miss Swindell and Mr. J. D. Miller.

Faculty

"WHAT CONSTITUTES A SCHOOL?"

*Not gilded architrave or pillared hall,
Carved stone or marble pool,
Not storied glass whence rich reflections fall.
Not picture, map, or book,
Not old elm-shaded walk or playground wide,
Not shop or studious nook,
Whereto the fond alumnus points with pride."*

It is rather relationships than brick or stone and mortar which make a school. It is growing kindness and understanding; it is confidence in each other, student in fellow student, and teacher and pupil in mutual trust; it is common ideals and aspirations; it is hard work shared and done; it is good times,—hours in honest fun and pleasure sped; it is the daily opportunity to give and take, "each for all and all for one"—these constitute a school.

There are days when every student believes the Faculty to be "something between a hindrance and a help;" but the fine relations that stand between teacher and student in our high school are evident at every turn. Their best tribute to each other can not be written into this book, but is rather the growing school which is ours, a school shaping, we believe, into the institution which lived in the dreams of the men and women who founded it and those who taught and studied in it before our time.

Anderson High School enjoys the unique distinction of having a corps of teachers which changes but little from year to year. Our teachers come to the city and the school and remain to become a vital part of the life of the community. To begin with, our superintendent, Mr. W. A. Denny came into the system first as a class room teacher. Later he became principal of the high school, and in 1914 was made superintendent of schools. Mr. D. E. Weidler, our principal, taught latin and mathematics on the regular faculty of Anderson High School before his travels took him to foreign countries for a period of years. To "Daddy" Black, who is now in his twenty-fifth year as teacher of history in our high school, belongs the laurel in point of service as class room teacher. Mr. H. P. Cook, teacher of botany, has spent his entire teaching career in the schools of Anderson, coming here upon his graduation from Earlham College. He has been in the high school for seventeen years. Many others of the present roll have remained long in the school, lend thus a permanency of interest which is to the advantage of the system.

This year ten new members came to take the places of teachers who resigned to do graduate work or to go into various other fields. Mr. Valiant G. Nims succeeded Mr. Raymond Morgan as head of the physical training department. Mrs. Nona Call became teacher of mathematics. Mr. J. L. Hale was elected as instructor in the Wood Shop. Miss Goldie Lowman succeeded Mrs. Hermina Daly as supervisor of music. Mr. A. R. Roggy joined the faculty this year, as head of the Commercial department, and Miss Blanche Swindell, as head of the English department. Miss Mary Sutherland and Mrs. Helen Preston, both formerly in the schools, became members of the English department. Miss Helen Mechtle came to us to teach French, and Miss Mary Furness succeeded Miss Helen Steele in the art department. Already these new teachers have found their places in the life of the school, in and out of the class room. They have ceased to be strangers; they are in truth a part of Anderson School City.

KATIE, The Abbeys' maid	Georgiana Readell
DANNY GUTHRIE, An leeman, suitor to Katie	Frank Fishback
MURPHY, A policeman, Danny's rival	Fred Brooks

On October 28 and 29 the Senior Class presented "Go Slow, Mary," a farce comedy in three acts, by Lillian Mortimer. On each night there was a large and appreciative audience.

The story centers around Mary and Billy Abbey, and has to do with their marital troubles and the old, old question of what is a woman's sphere.

Of course there is the mother-in-law; and, to add spice to affairs, there are two very mischievous grand children. Sally is the traditional confidant of the heroine and Bert is the faithful "friend" of Billy. Bert, to complicate affairs, falls in love with Sally. There is a suspected villain, who turns out to be Sally's recently acquired husband.

In the end Mary goes back to where she started — which Billy thinks is the proper place for her. And all went merrily — so George bell.

The cast was very well chosen and each character showed unusual ability in his interpretation. The parts were evenly distributed and much praise is due to all. We are especially grateful to Mr. Miller for his assistance in coaching.

INDIAN

Class History

It was with a mingling of fear, curiosity, wonder, adventure, and keen excitement that we, the graduating class of nineteen-hundred and twenty-seven, entered the halls of this edifice dedicated to knowledge. Fear? Yes! Had not we heard of that somewhat moist ordeal of the fountain? We made a dash into the auditorium, and thinking that at last we were safe, we triumphantly occupied the front rows of seats. Alas, how little we knew! We found that the front seats were the most disadvantageous ones for us to inhabit. We were easy to mark, and one by one we were withdrawn from our own group by smiling upper-classmen. The rest of the story need not be enlarged upon. Fortunately, there is an end to everything. The day came when the Seniors found that setting us freshies on the fountain was more pathetic than humorous; so the popular pastime was abandoned.

Following the example of the three previous classes, we held a class meeting and chose Mr. J. D. Miller and Miss Graham to guide us through four precarious years of our life. Mr. Carl Gilpin was elected president. Our social activities were limited; we were too busy learning the intricacies of high school life to play the parts of the social butterfly.

Our Sophomore year was not particularly exciting. We had a box social which was greatly enjoyed. The year took on all characteristics of the calm before the storm.

We entered upon our Junior year with a bang. The storm had arrived. Early in the year we showed our intelligence by electing Gerald Albright as our president. Our initial social event of the season was a Hallowe'en party. The party was naturally a success and the class voted a unanimous thanks to Deva Gritton, who was our hostess. Just enough mild scandal was created to make the party most interesting.

As the finances of our class were somewhat meager, each member was assessed fifty cents as class dues. A trying time was experienced by all until the funds were finally collected. Still we wanted more money. A Junior vaudeville was then given and more funds were received.

The cause of all this demand for money was, forsooth the fact that the Junior-Senior Reception was drawing nigh. Committees were organized, and the work was begun. It was originally planned to have the Reception in the new gym, but as we were not granted this permission, we used the old Gym. The Gym was attractively decorated in the style of the day. Seats were placed on the floor, each table serving two couples. A delightful lunch was served. The orchestra of our class played during the evening. Max Terhune, a noted entertainer, was on the evening's program together with several other numbers given by students. We were heartily congratulated for our splendid Reception. It is no idle boasting when we say that this reception was the most elaborate and successful one in the history of our school.

The year of our greatest triumph now dawns. Some disappointments have been experienced, but our sorrows have been few. A sorrow occurred when Miss Graham resigned as our lady sponsor. As no reason was given for Miss Graham's rash act, rumors were many and varied as to the cause. Reasons ranging from plain disgust to matrimony were offered for discussion. But we were most fortunate in securing Miss Swindell to take Miss Graham's place. Gerald Albright was re-elected president.

1927

INDIAN

Our social season began with a hayride to Alice Dams' home where a weiner and marshmallow roast were enjoyed. Three large, hay-covered wagons took the happy gang of Seniors to the farm. After eating and drinking all possible, the Seniors were entertained in various ways. The cider played a prominent part on our hayride.

Another social event of the season was a theatre party. It was intended that all the Seniors attend the Starland theatre. Unfortunately, some were unable to locate the Starland, but did find other theatres; so, in the end, everyone had a fine time.

In October the class did a most unusual thing. The class play was successfully put across in three weeks. "Go Slow Mary" was fast enough, and was proclaimed a decided success.

During the basket-ball games a number of Seniors worked hard selling "pies, candy, and chewing gum." The greater percentage of the profits went to the gym fund, but a few consoling dollars found their way into our treasury.

One of the busiest groups in our class has been the Annual Staff. Earl Cunningham and his staff were appointed early in the year. Few people realize the work necessary in producing a year book such as the Senior Annual. Earl and his co-workers have labored tirelessly to make this annual the best ever. Earl and Ralph are deserving of the highest praise.

As its gift to the school the class leaves a handsome portrait of "Daddy" Black, the grand old man of Anderson High School. Mr. Black, who has been a member of the faculty for many years, is appreciated more and more each year. This attractive portrait was painted by Ruthven Byrum, an artist of considerable note.

Besides leaving this handsome portrait, the class has given over five hundred dollars to the gym fund.

Our class leaves A. H. S. with regret as it realizes that many happy days are gone. We have tried not only to be happy, but also to get the best from this school, in every way. We are proud of A. H. S. and will always be glad to acknowledge it as our Alma Mater. We hope that we have done that which will cause A. H. S. to be glad to acknowledge us.

Junior Class

"Bob" McGinnan as president of the Junior Class, has steered it successfully through the year. A little slow in getting started, the class lost no time when it did get organized. Miss Wilson and Mr. Brinson were the helpful and willing sponsors who helped plan all the entertainments.

The first big enterprise was a show given at the Riviera theatre and sponsored loyally by the class. The favorable results of this event induced the leaders of the class to arrange a basketball game and dinner combined. The game was with the Seniors and victory for our honorable superiors added to their appetites. Two other big features of the year were a skating party and a show given in the auditorium. Both were huge successes.

In making basket ball a greater joy, the Juniors did their part. At the event they sold candy on the car. This was a pleasant surprise to everyone. During the tournament anyone who wished might purchase a miniature basket-ball decorated with ribbons of the color of his school. The Juniors sponsored that also.

On Thursday, May 25, came the climax of an eventful year. At the Junior-Senior reception the Seniors were royally entertained. A delicious dinner and an interesting program was presented by the Juniors. This was the final great event of the year for the Juniors and was greatly enjoyed by everyone.

Sophomore Class

In 1926 the Sophomore Class of A. H. S. met and elected the following officers:

President *Robert Dorste*
Vice President *Ralph Cecil*
Sec. Treas. *Mary Orland*
Sponsors *Miss Arbogast and Mr. Peck*

Later Miss Arbogast resigned and another election for sponsors was held to fill her place. Miss Margaret Merker was then elected.

The next Sophomore meeting was held for the purpose of adopting colors for the class. The class decided upon Purple and White, but as these were so much like the colors of the Junior Class, another election was held and we voted for Black and White.

Freshman Class

Our class modestly entered A. H. S. with our two-hundred and sixty members. At our first class meeting we elected Mr. Herbert Miller and Miss Pauline Day as our class sponsors. Green and white were chosen as our colors.

The officers we elected were:

PRESIDENT *Robert Baker*
VICE PRES. *James Bennet*
SECRETARY *Martha Ann Bailey*
TREASURER *Julia Ellen Kennedy*

As our class was very orderly, meek, and mild, we did not elect a sergeant-at-arms.

On account of the class being so large and so busy, no social activities were held. Next year we expect to blossom out in grand style.

EX LIBRIS

Every spring since 1914 an Annual has appeared on the campus of the Anderson Senior High School. The first year books had flexible backs of paper or leather. It was not until 1922 that the stiff back came into being. The first year-book cost one dollar and fifty cents and the final statistics showed a deficiency of seventy-five dollars. Succeeding years saw a change in the balance sheet of the X-Ray, which included the accounts of both the school paper and the annual. In 1916 enough surplus had accumulated to start the purchase of a Linotype. This purchase made it possible to print the X-Ray in our own print shop and to sell it at a moderate price.

Another change in 1925 placed the assets and the liabilities of the Annual and the X-Ray on separate balance sheets. Yearbooks had been selling for twenty-five and thirty cents, but now the price was boosted to one dollar and twenty-five cents. The sale receipts fell to about two-thirds of the amount of the preceding year and left the class with about 250 books, and a debt of three hundred dollars. The class of '26 paid about half of this and the remainder fell to us.

The class of 1925 adopted "The Indian" as the title for the yearbook, the class of 1926 retained the title, and now we have established the use of this name as a custom. It is our hope that the Annual, the school activities, and the athletic teams in future years will be known over all the state under the name of the Anderson Indians.

Although the theme and title of this book is "The Indian," it is not merely a reproduction of last year's book, but a new book in its entirety. A definite form for the opening section was adopted by the staff this year. We have added a view section which includes buildings of municipal government, charitable, recreational, and educational usage. In enlarging upon the administrative section we have attempted to acknowledge the builders of the school. Believing that the picture language is more effective than type, we have revamped the sport section. ~~It was necessary for us to make a guess for the Class Will and Prophecy because it is impossible for two or three people to know accurately the characteristics of all Seniors.~~ We hope these changes are for the betterment of the Indian.

PRO MERITO

In order that we may express our gratitude to those who have been instrumental in creating and publishing this book, we take this opportunity to thank them.

To Mr. Otis Forkner of the Forkner Studio we are indebted for the many pictures in this book. It was only through his courtesy and his interest as an alumnus of A. H. S. that we were able to have a view section.

~~Editorial cooperation of the staff~~ — The work of the staff in cooperation with the original outline have made this book possible. Much of the work, Art and Literary, have been rushed, and required after school hours sometimes extending far into the night. Robert Gray, whose appointment was made too late to put his picture with that of the staff, deserves special credit in getting jokes for the Advertising section.

To Miss Balyeat of the Art Department, goes the credit for the supervision of all the art work in the book. It was through her efforts that we were able to harmonize the tint of the paper with those of the back and the insert pages. This is Miss Balyeat's fifth consecutive year of service to the Annual staffs.

INDIAN

X-Ray Staff

First Row—Frank Ficht, [redacted] Sargeant, [redacted] Alice Davis, Charles Preston
Second Row—[redacted] [redacted], Geraldine Gates, Ruby Bush,
Kathryn Thornburg, Sara Smith, Paul Schroeber
Third Row—Tom Wimmer, Willard Baker, Cecil Alexander, Ruth Hall, Sue E. June
Humphrey, Elmer Ring, Alice Higman, Aileen Dehrader, Emily Henry, Charles Kennedy
Fourth Row—Gerald Albright, [redacted], [redacted] Ellison, Elizabeth Gilmore
Mary Ellen Davis, Nebrasha Pfeiffer, [redacted] Hutz, Bernard Grossnickle

The X-Ray has been published by two staffs for two years. Each staff has an editor and there is an editor-in-chief over both staffs. This plan of organization was adopted in order that the paper would not be representative of only a few, but that it might be a paper of the school. It was created with the hope that each staff would try to make its paper better than that of the week preceding. Timber for the staffs of the succeeding years is found by this means.

This year, under the leadership of Harry McGoon, as Editor-in-chief, Alice Davis Editor of the Red Staff, and Ruby Sargeant as Editor of the Green Staff, the X-Ray has made a very creditable record. Although they started late in October, the staffs were able to publish thirteen copies, including an eight page Christmas edition. Every X-Ray has well been worth the nickel.

X-Ray Board

The X-Ray Board manages the X-Ray. It is responsible for making the school paper an example of the literary talent of the school, as well as a financial success. This year the board has been unusually successful in the latter line of endeavor.

Last fall a subscription campaign, the first of its kind ever to be put on in the school, was inaugurated, in the weekly gathering of the auditorium. The sales were conducted through the advisory groups, each advisory being announced as its members pledged subscription. The assembly took on the appearance of an auction sale for a while as subscriptions were received. This was the largest backing that the X-Ray has ever had in the history of the school.

Thirteen issues of the X-Ray came out this year, including a special tournament edition printed on red and green paper. The following week it contained a group picture of our team.

The X-Ray this year had four pages and sold at the popular and reasonable price of fifty cents a season, or five cents per copy. It was delivered regularly to each advisor's room every Tuesday morning. There was the special privilege of buying extras for those who did not take the paper all season. The budget sheet allowed a profit of one hundred eighty dollars after all expenses had been paid.

The Print Shop

This year has been the busiest and most successful year in the print shop's history. Ticket programs and posters have been added to the regular entertainments. The daily school bulletin, schedules of various kinds, and thirteen editions of the X-Ray have also been printed.

Not only is printing accomplished, but also a regular course of study is followed. This course is the one used by the United Typothetae of America. This course is taught in the largest printing school in the world, which is located at Indianapolis. It is interesting to know that Mr. Barner, our local printing instructor, helped in writing this course.

The print shop has its own co-operative course. Four boys are taking advantage of the course this year. These boys attend school part time and work in some local printing establishments part of the time.

As is true in every organization, there are a few who deserve special mention for their splendid work. We want to acknowledge our appreciation of the following students: William Kleeberger and Eugene Martin, Linotype Composition; Glenn Eble and Howard Davis, Cylinder Press; Emory Hackleman and Arthur Collier, Ad Composition and Make-up.

Mr. Barner has worked faithfully and long for the development of A. H. S. printing and he is deserving of all the praise that can be given him.

ORGANIZATIONS

WELNAC

HONORARY SOCIETY

Honorary Society

The Honorary Society was organized in 1923 by Anna B. Lewis, then Dean of Girls and teacher of English. The aim of this society is three fold: To encourage scholarship, to provide for those qualified the necessary competition to develop their powers to the utmost, and to give recognition to those who have attained a high scholastic record.

To be eligible to this society a student must have sixteen credits, eight of which must be made in Anderson High School, and three-fourths of which shall be Academic credits. His average grades must be one-half A's and not more than one-fourth B's.

To be a member of this society is as fine a distinction as can be bestowed upon any student in high school.

It has been interesting to note the progress and record in college of students from the honorary society. All are making good general records on the campus and are outstanding in scholastic lines.

The membership of this society is small but growing, which indicates a genuine interest in scholarship. There are only nine members this year. The sponsors, Miss Merker and Mr. Peck have very successfully helped to foster the cause for which the Honorary Society stands.

"Knowledge is proud that he has learned so much.

Wisdom is humble that he knows no more."—Cowpe

INDIA'S

Student Council

PRESIDENT *Elizabeth Gilmore* VICE PRESIDENT *Edwin Brinson*
SECRETARY *Ruth Vogel*

The Student Council was organized in 1920. The purpose of this organization is to promote student government and to form a group where the student body shall be represented.

A member is elected to the Council by each advisory group for a period of one year. The members must have passing grades in three subjects and attend the meetings regularly. Membership has rapidly increased in its seven years of organization, with Mr. Black acting as its faithful sponsor all this time. Each member receives one-fourth credit a semester if he hands in an acceptable bill or resolution.

Among the resolutions passed was one which proposed that the High School song should be sung without being flashed upon the screen, because familiarity with the words shows active school loyalty.

The council has endeavored to serve the students of Anderson High School by passing measures to raise the standards of our school. The intent of the Student Council is, to be the representative of the highest aims and the best opinion of the student body.

"That is the best government which desires to make the people happy, and knows how to make them happy."—Macaulay

Hi-Y

OFFICERS

Pres. of S.	James Masters	Sr.	Robert Gray
Vice Pres.	Gerald Albright	Jr.	Arnold Fosnot
SECRETARIES	Robert Reit	

ADVISORY COUNCIL

Karen C. Scott	Y. M. C. A. Harvey P. Cook	Faculty
D. L. Weidler	Principal WILLIAM PECK	Faculty

The Hi-Y Club for the year 1962-63 has been a most successful year. Under the leadership of James Masters, President, and as the group of officers and committee chairmen as can be found in any Hi-Y club in the country, the club has continued to move forward and carry out the work that has kept the group in its present high standing. Forty-eight members comprised the club membership. The club had an unusual record in that not a member was dropped from the records during the year.

An additional Faculty adviser was secured this year. Mr. William Peck consented to serve and has taken a very active interest in the work of the club. His additional leadership means much to the club, and next year he will be found very active in making the club more important in the school life. Mr. Weidler and Mr. Cook have continued their fine leadership as before.

The purpose of the Hi-Y is to encourage, and extend throughout the school and community high standards of character and conduct. Its slogan is, "Clear spirit, clear mind, clear body, clear leadership."

INDIAN

Girl Reserves OFFICERS

PRESIDENT *Mary Walton* SECRETARY *Aileen DeLawter*
VICE PRES. *Gertrude Gehrke* TREASURER *Martha Cherrington*
Program Chairman, Elizabeth Call Social Chairman, Ruth Hall Service
Chairman, Mary Pettit. Co-advisers are Miss Cook, Miss Wilson, Miss Tylor,
Mrs. Call, and Miss Sutherland.

This club has taken as its theme for the year "The Weavers," and through the year's activities the design of the blue triangle has been woven into every girl's life. The purpose, "To Find and Give the Best," has been set as a goal by every girl, in an effort to give her best in all her activities.

Interesting and useful community service work was done at Christmas time when "The Weavers" played Santa Claus to more than fifty poor children.

Many social good times have contributed to Health, Service, Knowledge, and Spirit, all of which are essential for the development of a four-square life.

One of the outstanding features of this year's program was the organization of the "hobby groups." Four groups were organized: Music and Folk Dancing, Handicraft, Travel and Campercraft, and Books and Poetry. These have proved very popular with the girls, and also very useful in helping them to direct their lives on the lines in which they are most interested.

Under the leadership of Miss Cook, the Girl Reserve Secretary at the Y. W. C. A., and with the co-operation of our advisers, the club has had a most successful year.

*"Every girl has a task of her own
For the Father has planned it so;
She seeks the way and He alone
Can show her the path to go."*

OFFICERS, FALL TERM

PRESIDENT *Robert Gray* VICE PRES. *Charles Smith*
S. C. TREAS. *Roberta Parsons*

OFFICERS, SPRING TERM

PRESIDENT *James Lamey* VICE PRES. *Aubert Clarke*
S. C. TREAS. *Roberta Parsons*

The Science Club was organized two years ago for the purpose of delving into the mysteries of science in its relation to every-day life.

This year, under the leadership of the two Presidents, Robert Gray and James Lamey, and our sponsor, Mr. B. B. Horton, the club has been a decided success.

Many interesting programs have been given, each consisting of experiments and reports. A Christmas party was held. The refreshments were carried out in red and green. Red and green jello was served in test tubes, chocolate in beakers, and the wafers on filter paper. Marshmallows were toasted on glass tubing over gas flames. A debate between the Senate and Science Club was won by the latter. An interesting contest was held which ended with a theatre party given by the losing side. Permanent pins were adopted this year.

The proceeds of a show, given by the club enabled it to provide sharpeners for several rooms of the high school.

The Science Club is extremely different from any other club in school, in purpose, and in organization.

INDIANS

Senate OFFICERS

PRESIDENT	<i>Charles Preston</i>	ASSISTANT SEC. <i>Mary Young</i>
VICE PRES	<i>Mathew Sibert</i>	TREASURER <i>Richard Kirkman</i>
SECRETARY	<i>Edith Heinke</i>	READING CLERK <i>Randolph Covington</i>

The fact that the tongue is mightier than the sword probably induced Oswald Ryan to organize the Senate, under the supervision of Mr. J. C. Black, twenty two years ago. It was modeled after the plan of the United States Senate.

The purpose of this organization is to train students in the art of oratory and parliamentary law. If one were to visit the Tuesday night meeting of the Senate, he would see that this aim is being carried out.

The Senate also helps to enlighten the Public Opinion of the school. "In proportion as the structure of a government gives force to public opinion it is essential that public opinion be enlightened."—George Washington.

This organization does not wholly confine itself to governmental lines. A Christmas Party was given and gifts were exchanged. Other school activities have been held throughout the year.

Much appreciation and honor are due Mr. Black, the sergeant-at-arms, and to Miss Sutherland, the English critic, who have guided the good ship, Senate, safely through many troubles and waters back to the harbor of Moderation.

INDIAN

French Club

PRESIDENT

Gerald Albright Secretary

Marie Simon

VICE PRES.

Marie Alice Charlier

Rosalie Hirsch

Members: Rosalie Hirsch, Marie Simon, Don Wimmer, Gerald Albright, Mike McMahan, Catherine Combs, Marybelle Alexander, Margaret Rinker, Alfred Nutgrass, Hilda Goldsmith, Rose Vogel, Rheta Timmons, Helen Beher, Jane Miller, Robert Martz, Martina Pomeroy, Mae Ricketts, Therine Jordan, Lawrence LaRose, Eleanor Bing, Mary Walton, Ruth Current, Gertrude Jones, Clara Zwickel, Winifred Leach, Aileen DeLawter, Marie Alice Charlier, Eleanor McDaniels, Wilma Lewis, Janice Smith, Donna Lowry, Simon Schuster, Dorothy Gray

The purpose of the French Club is to make the study of French more interesting, to acquaint the students with French customs, and to aid the students in understanding the beauty of the language.

All French students are eligible to the club, and those who take advantage of this opportunity enjoy the monthly meetings very much. French games form the entertainment.

Mrs. Mechtle is the sponsor and we wish to thank her for the way in which she has co-operated with us in making the French Club a success.

"*L'oreille a ses raisons que la raison ne connaît point.*"—D'après Pascal.

INDIAN

The Spanish Club

OFFICERS

PRESIDENT *Joe Dyer* VICE PRES. *Mary Jane Helpman*
SEC.-TREAS. *Randolph Covington*

The year 1926-1927 has been a busy one for the Spanish Club. The group has worked hard to swell the membership and to make the meetings interesting.

A social event to be long remembered by the Spanish Club members was the big Hallowe'en party, given at the home of Virginia Dronberger. The least to be said is that everyone present had a wonderful time. During the Christmas season the Spanish Club enjoyed a Christmas party in Room 211.

The purpose of the Spanish Club has always been to promote interest in Spanish and to give social opportunities to its members.

Under the untiring efforts of the sponsor of the club, Miss Graham, the club has always been successful. There were only twenty-three members this year, but this is not discouraging to the present members. The club is looking forward to a larger membership, and more publicity next year than it has ever had before. Topics of general interest, subjects of importance, and Spanish ideas and customs were the chief features of the meetings held each month. We hope to hear more from this thriving Spanish Club the following year.

INDIAN

Sodalitas Latina

OFFICERS

PRESIDENT *Esther Raines* SECRETARY *Lenora Shipley*
VICE PRES. *Mary Jane Helping* TREASURER *Ruth Hall*

"The Sodalitas Latina," organized in 1921, is composed of those students having four or more credits in the Latin department. The club meets on the third Thursday of each month, at which time papers on Latin literature and the finer points of the language are read and discussed.

The object of this club is to promote interest in the study of Latin and to bring the members into closer social relations. Owing to the tireless efforts of Miss Nagle, the faculty adviser, the club has had a very successful season.

An enjoyable Christmas Party was given. Lenora Shipley read a paper on the "Saturnalia". Gifts were exchanged and, as is done every year, clever verses were originated to correspond to the gift.

Members of the organization are as follows:

Herbert Clapp, Alice Davis, Mari Muguette Friel, Gertrude Gehrke,
Robert Gray, Helen Helping, Emily Henry, Martha Cherrington, Alice Lovin, Mike
McMahan, Nehersta Pierce, Anson Hurley, Ruby Sergeant, Frederick Schminke,
Paul Shrope, Mary Sibbach, Kathryn Thornburg, Charles Preston, Lloyd Curwen,
Franz Prell.

"Forsan et haec olim meminisse iuvabit." — Vergil's Aeneid.

INDIANA

The Home Economics Club

PRESIDENT

Donna Lowry SECRETARY *Bonnie B. Shillingford*

VICE PRESIDENT

Velma Stoler TREASURER *Hilda Plotner*

SPONSORS: *Mrs. Leachman, Mrs. Sayre, and Miss Janney.*

The Home Economics Club of Anderson Senior High School was organized November 29, 1926.

The membership is composed of students in the Home Economics Department.

The meetings are held every two weeks, on Monday night. The program includes a lecture or talk on subjects pertaining to Home Economics. Some of the topics which have been discussed this year are, "The Study of the Effect of Nutrition on Mental Development," "Signs of Health," and "Home Economics in Hawaii."

The purpose of the club is, first, to give the members an opportunity to apply the knowledge they have obtained from the study of Home Economics; secondly, to take up general subjects that have to do with careers and life work; and thirdly, to promote fellowship among the members.

One of the most successful of the projects that have been attempted was the cafeteria lunch served during the school week March 7-11.

"The turnpike road to people's hearts, I find,

Lies through their mouths, or I mistake mankind."

INDIAN

Boys' Booster Club

OFFICERS

PRESIDENT Phil Acker Vice Pres. Robert Dorste
SECRETARY Bernard Grossnickle

The Boosters' Club was organized in 1918, but was inactive until last year, when it was again organized under the leadership of "Bill" Sines. During the last two years the club has inspired much enthusiasm among the students.

The club was directly responsible for a large number of the pep sessions we have enjoyed this year. Various active members of the club were in charge of the different sessions.

The membership of the club is determined by a vote cast by each active member of the club.

A Christmas entertainment was sponsored by the club. The program proved highly successful and it was an innovation in entertainments.

The week before the tournament, the club sponsored the second annual Red and Green Week. A special celebration was featured every day of this week. One of the most successful events was the banquet. Over one hundred students as well as several prominent citizens were present.

This year the Boys' Booster Club has been most active, a live wire organization. All members of the club are wide awake and ready to go. We hope the club continues its good work.

INDIAN

Girls' Booster Club

The Girls' Boosters Club, the youngest of our group of organizations, was organized in December of 1926. The plan for organization was to have two representatives from each advisory. The first meeting was held to elect officers and to decide upon a sponsor. Genevieve Ellison was elected president; June Ack vice president; and Franees Morrison, secretary and treasurer. Miss Wilson was chosen as sponsor.

The purpose of the club is to co-operate with the Boys' Booster Club in all the activities of the school. We boost athletics, but further, our interests are distributed throughout all the organizations of the school.

The girls had a small part in the Christmas program which was a great success. This and decorating the halls were the first noticeable feats performed by the Club.

The boys again called upon the girls to co-operate in planning and giving the Annual Red and Green Week banquet.

Because of the results of the year's work the girls do not feel that the club of forty members was organized in vain.

Because this club is the newest organization in the school, the students are very enthusiastic about its success. We are anticipating a very live club the coming year, which will promote school "pep."

"BOOster, BOOster, be a BOOster!"

DRAMATIC CLUB

The Dramatic club was organized in 1914 by Miss Williams, head of the English department at that time. The first officers of the club were Doyle Blumley, Lillian Cook, and Wysong Julius. When the club was first organized, it was with the intention that some good besides entertainment should come from the programs.

In 1917 the officers, together with the members, planned an Alumni program which proved to be interesting.

During the years 1923 and 1924 the Dramatic Club organized an orchestra whose privilege and duty it was to play at each and every meeting and play.

In 1925 the organization underwent a complete change. A new constitution was adopted, new by-laws were established, new committees were formed, and new rules made for membership.

This year has marked a great improvement in the general activities of the club. It has met every other Tuesday night and has been well represented at each meeting.

With the constant guidance of Miss Mary Wilson, the faithful sponsor, several one-act plays have been presented. These plays were coached by members of the club. This was done so that each member might be able to take part in the bi-weekly programs. Those plays which proved to be most successfull were given during the Wednesday morning auditorium gatherings, before the entire school.

The present officers deserve special mention for their untiring efforts in trying to make the Dramatic Club the most prominent and instructive organization in the school.

1927

INDIAN

Dramatic Club

The purpose of the Dramatic club is to further dramatic art and appreciation of drama among the students.

Every member in the club is expected to participate in some program during the year, thus getting actual experience. By this means much talent has been discovered.

The qualifications for membership are based on try-outs. A series of one-act plays were given throughout the year. Some of the more experienced members of the club aided in coaching the plays.

The club meets every other Tuesday immediately after school in the auditorium. No member of the club may miss more than two successive meetings, and still consider himself a part of the organization. To become a member again it is necessary to pay a due of fifty cents.

A new feature was successfully presented by the club in form of a pantomime entitled "Hearts for Sale". Seventeen members took part in the pantomime. The club also presented "The Toy Shop" as its part in the Christmas program.

A comedy, "All on a Summer's Day", was given before the school in February. The club also presented "The Mayor and the Manicure".

In May the club presented "The Hottentot", a three-act production which was the culmination of the work of the club. Much talent was shown and the play was most successful.

The Dramatic Club owes much of its success to Miss Mary Wilson, the sponsor of the club. Miss Wilson not only aids the Dramatic Club, but also has given valuable assistance to all other dramatic productions of the school.

INDIAN

Commercial Club

Chairman *Flora Ray* SECRETARY *Carrie Etta Harlan*
Vice-Pres. *Simon Schuster* TREASURER *Mabel Mills*

The Commercial Club was organized five years ago through the efforts of Mrs. Williams, assisted by some students. Mrs. Williams was then the head of the Commercial Department.

The purpose of the club is to promote and create an interest in commercial work. Any student taking the commercial course, or who has one year in commercial work, is eligible to membership. The dues are twenty-five cents each semester.

The meetings are held every two weeks, in the bookkeeping room. The meetings were especially interesting this year. Mr. Maulhausen, instructor of commercial work in the University of Southern California, gave a demonstration in typewriting. Moving pictures on Industrial subjects were given. A Christmas party was held in the annex and all present went to the basketball game afterwards.

A less popular success is due to the project Miss Etta Harlan, Miss Alice L. M. Long, Miss Fannie Sibley, and myself, to bring things of special interest before the club. The club consisted of about twenty-five active members during the present year, each of whom seemed willing to participate in every project submitted to the club.

INDIAN

Miss Lowman

"Music is the fourth great material want of our natures, first food, then raiment, then shelter, then music."—Bovee.

Because of this it is the desire of the heads of the music departments to send music from the schools into the homes. In this way all of the members of the family may participate in and enjoy its melodies.

Miss Lowman has certainly shown her ability to carry out this program. The school is proud of the glee clubs and choruses, a result of her work. We believe that each member of these organizations is helping to bear good music to his home.

Miss Lowman has had training in Winona Lake College, Indiana State Normal, Butler University, and Cornell University. She was for two years special music teacher in Detroit; for three years supervisor in Portland, and for three years an assistant supervisor in Indianapolis. She studied voice in New York and Chicago and has taught in the Summer School of Albany, the New York State College. We are proud of our accomplished director.

OFFICERS, SPRING TERM

President Chas. Kennedy SEC.-TREAS.
Vice Pres. George Marshall LIBRARIAN

Simon Schuster
Harry Schuster

The Music Department had a very successful year and the Boys' Glee Club made a very great contribution to this success. The Club made more public appearances this year than ever before, having sung before the Kiwanis Club, the Elks Club, and several other organizations.

The high point of the year was reached in the presentation of the operetta, "All at Sea". This production was very adeptly produced by the Boys' and Girls' Glee Clubs.

A quartet represented the Glee Club in an all-state Chorus in Indianapolis in October. Robert McGuanahan represented Anderson High School in a national chorus at Springfield, Illinois, the week of April 11-15.

Both the Boys' and Girls' Glee Clubs sang at the Muncie Music Festival, May 4.

In the last three years the Glee Club has grown rapidly and we are sure it will continue to grow under the supervision of the new director, Miss Goldie P. Lowman. The Glee Club is the true representative of public school music in this city, and has worked hard throughout the year to become a larger and better organization.

PRESIDENT	<i>Ruth Longanecker</i>	LIBRARIANS <i>Marifrances</i>
VICE PRES.	<i>Marine Newgent</i> <i>Norviel, Jane Ann Gardner</i>
SEC. TREAS.	<i>Marguerite Friel</i>	PROG. AND SOC. CHAIR.
ACCOMPANIST	<i>Hilda Plotner</i> <i>Julia Ellen Kennedy</i>

The Girls' Glee Club has one of the largest memberships it has ever known. It is composed of about fifty selected voices, under the direction of Miss Lowman. The girls sing frequently at the Wednesday morning auditorium gatherings and before various civic clubs of the city. The Girls' Glee Club with the Boys' Club presented the operetta, "All at Sea", which was received with great enthusiasm and much favorable comment. It is customary for the girls to participate in the National Music Week contest held in Indianapolis, and for the last two years the girls have sung at the Ball Gymnasium in Muncie during the Music Week there.

The club has its activities as well as its musical events.

"For who has sight so keen and strong,
That it can follow the flight of song."

The Band

One of the greatest assets of our school is the band, a rapidly developing organization. This year, under the direction of Mr. Reneenberger, the band has increased in number, as its music has increased in quality. Several times during this year the school has been privileged to hear the band in concert, a treat always appreciated by the student body and faculty. The band was half of the pep at our basketball games, and next year will see them heading football and pep session parades.

Soon after the organization of the band in 1923, by Mr. Wise, it was the hope of several people to provide the band members with uniforms. Miss Ashbaucher was interested in this matter as was superintendent Denny. As many of the high school bands do have uniforms, school pride should demand that our band have uniforms.

Although uniforms were wanted, no definite attempt was made to raise money for this purpose. This spring the Athletic Department of the school gave an interesting Athletic Circus. All profits realized from the Circus will go toward purchasing the uniforms for the band.

This year the band has studied both classical and popular music. Its success in playing both kinds of music has been seen in the band's programs. We are sure that next year the band will carry on its good work, and become one of the school's outstanding features.

INDIAN

The Orchestra

Perhaps one of the most appreciated organizations in the school is the orchestra. The orchestra's music every Wednesday morning has made our Auditorium exercises more pleasant and enjoyable. The orchestra has played not only in Auditorium calls, but also for many special occasions, among the more important of which were the Senior Class Play, the Operetta, "All at Sea," and the convention of Junior High School Principals' Association. Special music was also furnished by the orchestra in celebrating MacDowell and Beethoven week.

This year the orchestra practiced every tenth period, in the Annex. We feel that the Annex is being used for a very good purpose. Music appreciation has been studied by the orchestra along with its regular work.

The orchestra will lose several of its best musicians, as some are Seniors. However we are sure that new material will be secured and that the orchestra will continue its good work next year.

The personnel of the orchestra is as follows:

Kenneth Birdwell, Thomas Clem, Ben Cleveland, Randolph Covington, Clement Cronk, Charlotte Deeds, Ruth Dawn, Marion Eckel, Kenneth Fadely, Albert Farmer, John Farren, Paul Flory, Max Fraze, Kenneth Hughes, Everett Hull, Howard Hull, John Jackson, Virgil Olsen, Gilbert Peart, Mildred Prophet, Richard Reeder, Ruth Richardson, Ellsworth Rittenhouse, Shelby Sibbach, Boehler Smith, Harold Warvelle, Mary Alice Young, Marie Dingworth.

Mr. Peck

Mr. Acker

This season marked another change in the coaching staff. William Peck, assistant coach, succeeded Raymond Morgan and faced the difficult task of building a team around a nucleus of five veterans. Not only were the players handicapped by inexperience, but also they were one of the lightest teams in the state.

Practice was held in a sea of mud and water, punts and passing were almost impossible, and games were played before empty bleachers. However, this did not daunt the players' spirits and about twenty-five faithful men stuck through the season.

A post season banquet was given the players at the Y. W. C. A. and Philip Acker was elected honorary captain of the season. The following will be lost by graduation this spring: Dye, J. C., L. Vermillion, R. Smith, Acker, F. Smith, and H. Davis.

Spring practice revealed boys who will be likely candidates for the vacated positions, and all signs point toward a more successful season next year.

MARION GAME, SEPTEMBER 18

Playing its initial game of the 1926 season, Coach Peck's scrappy crew of lightweight football players met a crushing defeat at the hands of the Marion Giants, Saturday, September 18.

Holtzelaw proved to be the star of the Anderson outfit. He got away for several long runs and was responsible for a number of gains through the aerial route. Anderson completed about one-third of its passes, but was unable to make a dent in the Marion line. The final score was Marion 59, Anderson 0.

INDIANAPOLIS MUTES SCHOOL GAME, OCTOBER 2

Playing on a field saturated with water, on account of which it was difficult for players to make progress because of sliding in the mud, Coach Peck's fighting Indian eleven annexed its first game.

Holtzelaw thrilled the crowd of 500 spectators with a seventy-yard run after catching a long, high punt. By this he gave a 6-0 lead at the end of the first quarter.

In the third quarter on the fourth down, Bariden broke away for a thirty-yard dash around the right end of the Mute's team for the Indians' second touchdown. The game ended with Mutes 0, Anderson 12.

PORTLAND GAME, SEPTEMBER 25

An improvement was shown by Coach Peck's Anderson High School gridiron squad when they held Portland High to 6-0 Saturday, September 25.

The team was much more outstanding in tackling and punting than they were in the fray a week before. Jarrett, tackler, and Acker, center were powerful in their defense work on the line. Anderson staged a rally in the last few minutes

of play in a final effort to win the game, but was unable to score. The game ended with the score standing Portland 6, Anderson 0.

MUNCIE GAME, OCTOBER 9

The Muncie High School Boys' team walloped Coach Peck's Anderson Indians by a score of 82-0 on the Muncie gridiron Saturday, October 9.

The Indians were sadly off form, and at no stage of the game did they show the ability and aggressiveness shown in the game the week previous. The weak spots were in the line and ends, and the backs were helpless with these two major points of attack weakened.

NEWCASTLE GAME, OCTOBER 16

Encouraged by more support from students in the way of a rally and parade, the fighting Indians held Coach Hooker's strong Newcastle outfit to a 12 to 6 victory. The game was fast for a heavy field and was hard fought all the way.

The teams battled on even terms until after the second period, when a Newcastle back fumbled the ball and Holtzelaw scooped it up and ran 20 yards for a touchdown.

In the third period, Newcastle tied the score as Bateliff crashed off tackle for 12 yards and a touchdown.

A lucky break in the last few minutes of play gave Newcastle the victory. Harris, Anderson fullback, attempted a punt, but the ball slipped off his toe and was seized by Eastman, Newcastle back, who ran across the Anderson goal for the winning touchdown.

KNIGHTSTOWN GAME, OCTOBER 23

The Indians suffered a heart-breaking defeat at the hands of Knightstown. They entered the game just a shade over-confident and through carelessness let the Knightstown 235 pound team slip through the line for a long run which netted a touchdown. Knightstown kicked and gained the extra point, thus giving them the lead 7—0 in the first five minutes of play.

Then the Indians woke up and held their opponents scoreless the rest of the game. A typical Anderson rally in the final minutes of play netted the Indians' only touchdown, but the effort to make the extra point failed. Anderson was on a steady march down the field for another touchdown and the ball was on Knightstown's 5 yard line when the final gun cracked. Score, Knightstown 7, Anderson 6.

ELWOOD GAME, OCTOBER 30

This game was played on a muddy field, and a fairly large crowd attended.

Elwood opened the scoring, when Brogdon, fullback, went over for the first touchdown six minutes after the game started.

A few minutes after the second half started Harris, Rariden, and Holtzelaw marched down the field on a series of passes, and a pass which Holtzelaw gave to Smith netted Anderson's first touchdown. Acker failed on an attempt for the extra point. Soon Martz went over for the Indians' second touchdown, but Elwood still led, 13-12. Elwood worked the ball to the Anderson 20-yard line and two costly penalties practically gave Elwood a touchdown, Baxter going over for the final touchdown. The game ended Elwood 19, Anderson 12.

KOKOMO GAME, NOVEMBER 6

Facing a heavy, powerful team on the best football day of the season, the Indians went down before the Kokomo Wildcats, the score being 55-0.

At the opening of the game the Indians made several long gains through the Wildcat line and it looked as though they would score. But the "Kats" line strengthened and held, and the Anderson ends were skirted for long gains and touchdowns.

Several Kokomo passes were broken up by Indian backs, for Anderson had the edge on passes and completed some outstanding ones for several good gains.

Although fighting desperately, the lighter Indian team was unable to score on their heavier and more experienced opponents, but were highly commended for their fight and determination.

NOBLESVILLE GAME, NOVEMBER 13

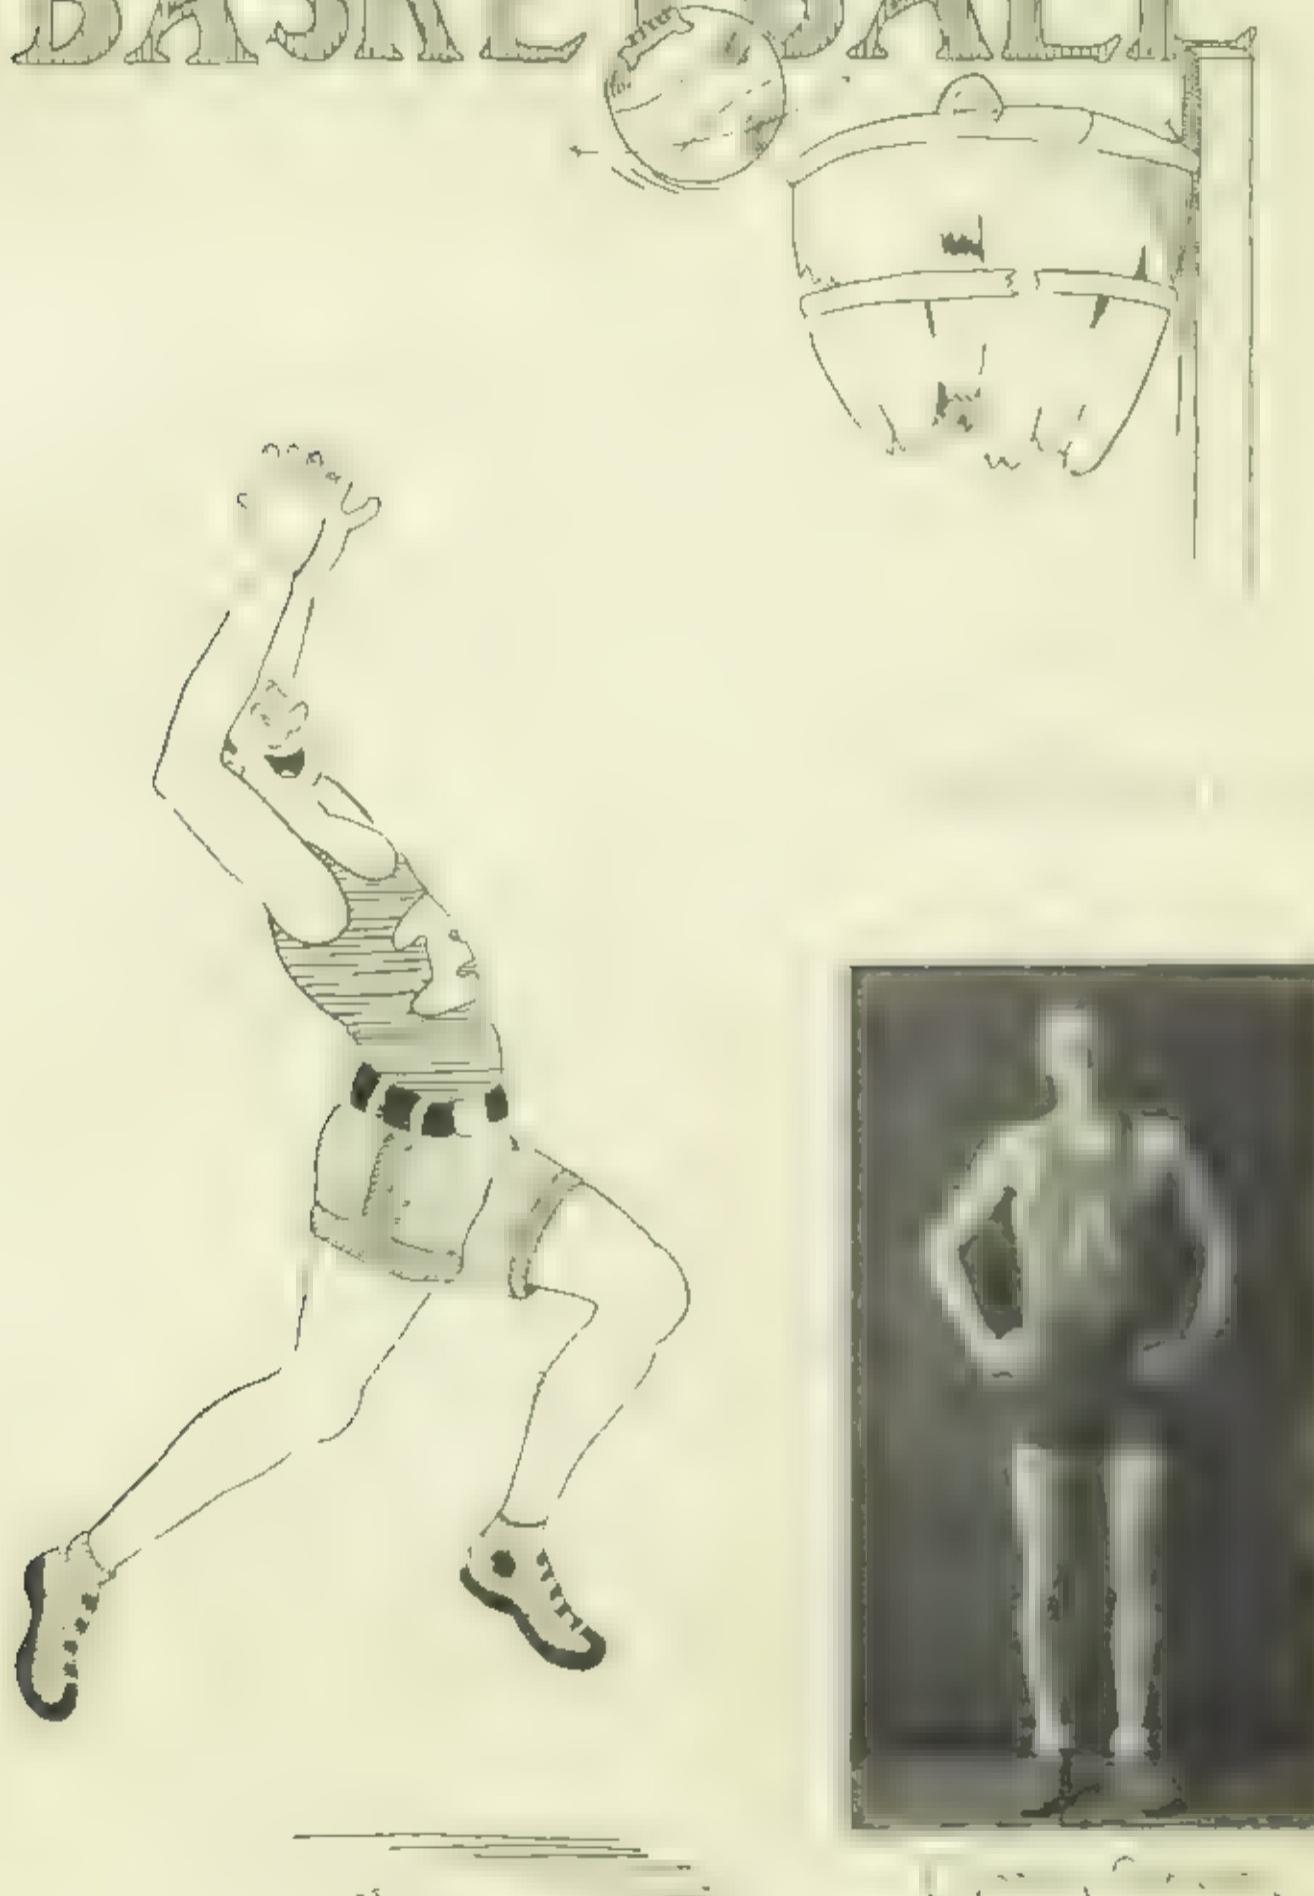

The Indians met defeat at the hands of the powerful Noblesville gridders, by a score of 33—0. The game was mostly a kicking one, with a strong wind sweeping lengthwise of the field, which made it very difficult for the kickers.

The Noblesville interference was perfect and was responsible for the long gains made by the backfield men. Scully was the outstanding star of the game, making several long runs. Kicking was the best ever witnessed by Anderson fans.

Anderson's aerial attack almost netted a touchdown in the last few minutes of play, but the remaining time was too short. This marked the close of the season.

Mr. Staggs

Floyd Poore

Basketball

The "Anderson Indians" are known by the fans throughout the state, and have always been known as a team of high caliber. Under the coaching policy of A. R. Staggs which is that sportsmanship, co-operation, "real fight" and manly traits are builders of a team, a very creditable record was made this season to uphold the established reputation of the Indians.

The team was identified by two characteristics this season—spirit and determination. It was spirit which moulded a team of five fighters around one veteran. It was determination which carried them to victory when the competition seemed almost impossible.

A post season banquet for the teams was held at the Athletic Club in Indianapolis. Floyd Poore was elected to have his name engraved on the "Morches Spirit Cup" as the man displaying the best attitude and spirit during the entire season. Francis Schronz was elected post season captain.

The Second Team

For years the Anderson High School second teams have been so well trained and developed that they have always been able to give the first team close competition. This year's second team, under the able coaching of Mr. Bonge, was no exception. They met and defeated many high class second teams as well as a few first teams. Critics rated the team as one of the best in its class in the state.

Bound only by a loyalty to A. H. S. and a hope that sometime they will be able to represent their school in basketball competition, these boys have practiced faithfully all through the season. The team loses Horace Crowe by graduation.

1927

INDIAN

ARCADIA, NOVEMBER 5

Anderson made its initial appearance by defeating a seasoned Arcadia team 39-27. Ockoman was the only veteran player on the team. Much comment was heard about the blue and gray uniforms, a departure from a long established custom.

FRANKTON, NOVEMBER 13

Except for occasional outbursts of speed, Frankton fell an easy prey to the Braves. The Anderson team piled up a total of 44 points while Frankton made 22.

NEWCASTLE, NOVEMBER 19

Coach Hooker, a former protege of Coach Staggs', brought a flashy quintet from Newcastle. A strong defense led by Schronz, effectively stopped the Trojans on the short side of a 22-20 score.

CONNERSVILLE, NOVEMBER 24

Playing on a foreign floor for the first time of the season, Anderson suffered its first defeat.

The Indians held an eight point lead at the half, but were vanquished by the Spartan youths in the final period by a score of 35 to 23.

VINCENNES, DECEMBER 3

Getting the breaks from the start to finish, the Alices took the Indians 31-24. The game was very fast, both teams playing good basketball. This was the second out of town game of the season.

KOKOMO, DECEMBER 10

The Wildcats, who ran rampant over the team of last year, were unable to stop the invading Braves of this year. George, of Anderson, playing as a substitute, tied the score and then tallied the goal which decided the overtime.

LAPEL, DECEMBER 17

Poore, getting the tip-off on even terms with the towering Gentry of Label, gave Anderson a lead of 31-24. This advantage was held in the final minutes, by stalling. Close guarding was a feature of the game.

RICHMOND, DECEMBER 18

The Indian team, on the warpath again, hung another scalp at its belt by defeating Morton High School, 50-23. Richmond used thirteen men in an effort to stop the invaders. Poore and Ockoman were instrumental in amassing the score for Anderson.

MARION, DECEMBER 23

The Marion Giants, 1926 champs, were the first to defeat the Indians on the home floor. Chapman and Davidson swished in goals from all positions to build up a score of 46-36.

1927

INDIAN

COLUMBUS OHIO, DECEMBER 28

Using an eighteen point lead at the half, Columbus, an out of state team, threatened to upset the hopes of Anderson. However, Coach Staggs sent Poore back into the line-up and the Staggsmen won by a comfortable margin of 42-33.

BEDFORD, DECEMBER 31

The Stonebreakers pelted the Anderson quintet by a score of 51 to 29 in a fast offensive game. The Staggs men outscored Bedford in the final period. Schronz performed in a capable fashion as backguard besides leading his team mates in scoring.

MARION, JANUARY 7

Reversing a former decision of the season in contest with Marion, the Indians defeated the Giants 31-25. Atkinson played backguard and Schronz and Hart paired off as forwards. Ockomon efficiently guarded Chapman to allow Poore to make seven field goals.

CONNERSVILLE, JANUARY 14

The biggest sensation of the season was witnessed by a half filled gym because of sub-zero weather. George tied the score, and then tipped to Ockomon, who shot the ball just as the gun went off. The ball hit the hoop and won the game, 32-30.

VINCENNES, JANUARY 21

Playing a dull and listless game, the Indians seemed unable to solve the Alice's defense or to connect with passes and shots. The final score was 41-18.

KOKOMO, JANUARY 28

Reversing to a former line-up, the Staggs-men defeated the Wildcats, 49-28. Kunheim, a substitute, deserves much credit for the manner in which he guarded Huddleston, the Kokomo ace, besides scoring five field goals.

PEORIA, ILLINOIS, JANUARY 29

A long field goal in the last few seconds boosted the score 27-26 and frustrated the hope of the Indians. The time was divided into quarters of ten minutes each. This Illinois style of playing seemed unique to Andersonians.

LOGANSPORT, FEBRUARY 4

Accompanied by a delegation of seven hundred and fifty fans, the Anderson team journeyed to the new "Berry Bowl," of Logansport. Anderson fell another victim to the highly reputed team of Logansport, which had lost only one game. The score was 41-28.

1927

INDIAN

SHELBYVILLE, FEBRUARY 11

Led by Campbell, a flash who played floor guard, the Camels defeated the Indians, 27-21. Anderson seemed to be unable to hit the loop.

BEDFORD, FEBRUARY 18

Waship and Bariden filled the forward positions for the first time in the season. They performed well, but were unable to cope with the superior weight and uncanny basket shooting of Miller, who made nine field goals for Bedford. The score board read 50-31 as the final whistle blew.

MONTMORENCI, FEBRUARY 25

The last scheduled game of the season was an easy victory for the Staggsmen, who won by a score of 49-29.

SECTIONAL TOURNAMENT

Anderson met Frankton in the opening round of the sectional tournament and experienced little difficulty in defeating them. The 45-15 victory gave the Indians the right

to meet Pendleton in the second round of the tournament.

Bariden and Woods, as forwards; Poore, center; Oekoman, floorguard; and Schronz, backguard, faced the highly praised Pendleton team in the second round of the sectional. With Woods setting pace for the Anderson team, they soon acquired a lead which ended in a victory of 35-19 for the Anderson team.

Using the same line-up which vanquished Pendleton, Coach Staggs' fighting Indians defeated Lapel in the finals of the sectional. A tight defense and a fast offense were features of the game. Anderson used the tactics of Lapel, which have been successful in winning the last two tournaments, and stalled the final minutes of the game. The score was 17-12.

REGIONAL TOURNAMENT

Coach Staggs' tournament team met Technical of Indianapolis in the opening round of the regional. The teams fought on even terms for the first half, but were unable to cope with the superior weight of the Capital City quintet in the last half. Woods was the mainstay of the Anderson team. The final score was 28-17.

The "A" Men Corner

PAUL BELL, "SHOOTER"

Paul has been a real fighter on the squad for the last two years. He played floorguard when Dick was out of the game. It will be hard to find another, who has the spirit and willingness to fight till the finish, to take his place.

VERSAL COLLINS, "PORTER"

This was Versal's only year with the team. On account of sickness he was unable to hold the position on the first team which he won

1927

INDIAN

at the beginning of the year. However, he came back at midseason and won a place at backguard on the second team.

HORACE CROWE, "BUZZARD"

Horace has played on the squad for three years. Although he was never able to make the grade of the first team, he practiced faithfully and deserves special mention because of his perseverance. "Buzzard" played either forward or backguard.

DAWSON HART, "DAWTIE"

This is the last year which Dawson has to play for A. H. S. He has been on the squad for two years and has always made up in fight and determination for what he lacked in weight. Few opposing forwards could escape Dawson's guard or stop his offensive movements, but he never seemed able to connect accurately with his shots.

FLOYD POORE, "DITZ"

Floyd never got up in the air except when jumping at center. He was one of the best all round centers in the state and very seldom met anyone who got the tip-off from him. His headwork and floorwork were above reproach and he could always be depended on to cash in his share of field goals. He was chosen by his team mates as the one displaying the best spirit through out the entire present season.

FRANCES SCHRONZ, "DOGGIE"

Frances came to A. H. S. in his junior year and won a position on the tournament team, playing backguard, forward, or center as necessity required. It was usually he who captained the team on the floor. He was a stone wall in defense and few forwards could "out smart" him. At the end of the season, he was elected post season captain. It will be hard to close the gap in defense which his graduation will leave.

RICHARD OCKOMAN, "DICK"

Dick was the favorite of all the fairer fans and their cheering was more noticeable when he had the ball. However, this did not interfere with his playing and he could always be depended upon to fight until the finish. Dick is only a Junior, but has played with the team for two years.

EDWARD WOODS, "EDDIE"

"Eddie" is only a Freshman, but nevertheless he was one of the mainstays of the tournament team and a general favorite of the whole squad. He could usually be distinguished by his red hair and his fast playing. Much is expected of him in his next three years.

INDIAN

Charles Kennedy

Mr. Rotruck

Fred Brooks

Mr. Rotruck is the man who is seldom seen or heard, except on special drives to create teams. It is he who has the responsibility of satisfying Anderson fans, of making the athletics a financial success and finding good competitors for both the first and second teams, besides being head of the Vocational Department. His success may be judged by the fact that not a single team or their fans turned in a complaint about the accomodations at Anderson; that the Gym debt has been reduced so that it is thought it can be paid this coming year, and by the schedule which he has arranged for the coming season.

Schedule for 1927-1928

October 28	Arcadia	Here
November 4	Frankton	Here
November 11	Delp	Here
November 18	Newcastle	There
November 25	Kokomo	There

January 28	Peoria	Here
February 3	Richmond	Here
February 4	Delp	Here
February 11	Technical	There
February 18	Marion	Here
February 24	Muncie	Here

INDIAN

CULLIPHER'S CHAMPIONS
First Row—Brooks, Stottmeyer, Harmon.
Second Row—Stinson, Turner, Cullipher, Foster, Roney.

Advisory League

The Advisory League is composed of two tribes, the Mohawks and the Iriquois. Eleven advisory teams, Amick, Barner, Black, Bonge, Brinson, Cook, Cullipher, Goss, Hale, Horton, and Juhus, compose the Mohawk tribe. Lindsey, McClintock, H. Miller, J. D. Miller, Peck, Roggy, Sharp, Shields, Stoler, and Stutsman have advisory teams represented in the Iriquois league.

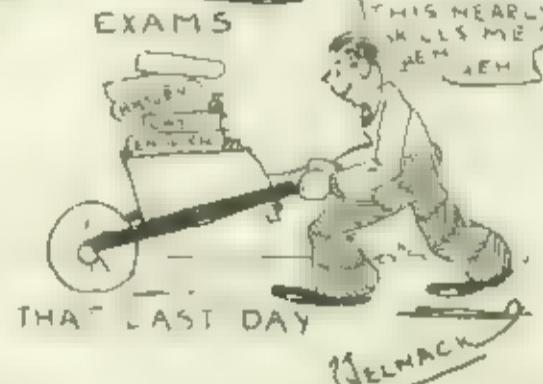

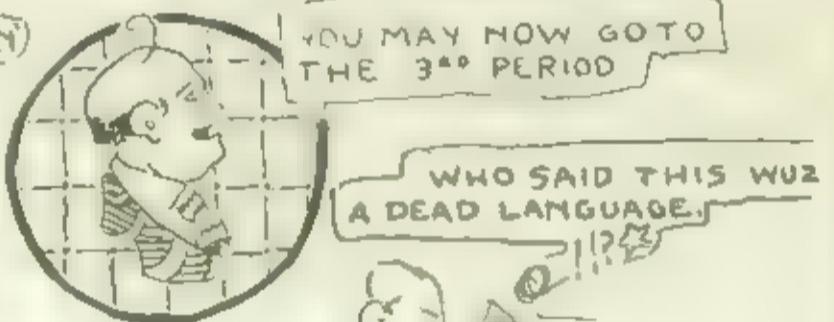

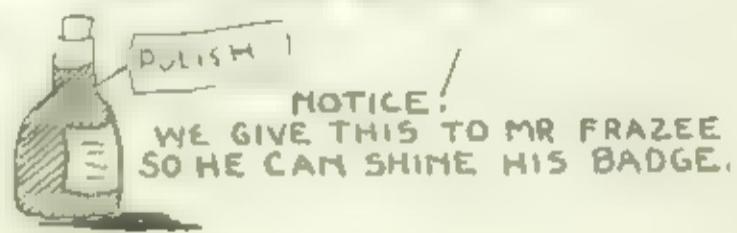

The winner of each tribe is determined by the percentage of games won. In case of a tie in either tribe the two highest play a series of three games. Then the winners of both tribes compete in three games, the one winning two out of the three becoming champions of the Advisory League.

At the end of the 1922-23 season the school purchased a cup on which the name of the winning Advisory of the league each year is placed. The following advisory groups have their name engraved on the cup: J. D. Miller, 1922-23; Shields, 1923-24; Stutsman, 1924-25; Shields, 1925-26. It is necessary to win the league three successive times to become possessors of the cup.

This year Cullipher, of the Mohawk tribe, and Shields of the Iriquois played the final series. Cullipher won the first and third games of the series and then their name was engraved on the cup for the 1926-27 season.

1927

TRACK

INDIAN

Track

The 1927 track season marks one of the most successful years in A. H. S. track history.

When the call came for track candidates, some very good material reported and as a result a fairly fast track team represented A. H. S. in the first meet, which was held on our own track.

There were no individual stars, but there were many athletes of first rate ability, who qualified in various events.

Much credit for the season's success is due to Mr. V. G. Nims, physical director, who held track classes in connection with his regular gymnasium work. It was here that many of the boys learned the fundamentals that helped to produce a well balanced team.

This year's track team won every dual meet in which the school participated, and won over several of the strongest teams in the state. Anderson made a clean sweep at the county meet, held at Elwood, and hung up records worthy of any track team.

Too much credit cannot be given to the boys who so successfully upheld the honor of A. H. S. on the cinder track.

The record for the season is as follows:

DUAL MEETS

Anderson 81 $\frac{1}{2}$, Tipton 18 $\frac{1}{2}$

Anderson 76 $\frac{3}{4}$, Marion 26 $\frac{1}{4}$

TRIANGULAR MEET

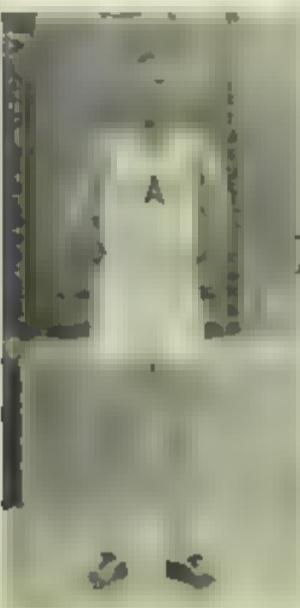

Anderson 71, Richmond 20, Rushville 9

COUNTY MEET

Anderson 64, Elwood 26, Alexandria 10

JUNE, FRIDAY 13

PRICE SIX MILLS

PRIMA DONNA DISAPPEARS RETURNING FROM THEATRE

New York, June 5th.—A baffling mystery is in the hands of New York's police force. Miss Nehersta Pierce, grand prima donna, disappeared last night after having sung before one of the largest audiences ever assembled in the Century theatre.

Miss Pierce went out of her apartments early in the evening, after leaving word with her maid, Miss Helen Stevens, that she would return not later than midnight.

When at three o'clock Miss Pierce had not yet arrived, the maid became alarmed and called the police. A thorough search of the neighborhood around has been made, but as yet to no avail.

It is supposed that she left the theatre with her fiance, Paul Shaffer, but no trace can be found of the man.

Both Miss Pierce and Mr. Shaffer are former residents of Anderson.

Detectives James Lamey and Robert Gray have been employed and are hot on the trail of both young people. Miss Pierce recently visited with Miss Mary Elizabeth Thunma, proprietress of a millinery shop, and Miss Alice Higman, who are being held as valuable witnesses.

PLANES HOP OFF TO FIND NEW LAND NORTH OF ALASKA

In three aeroplanes the Freezum Arctic expedition today hopped off for Point Glacier to begin attempts to find a land in the unexplored area north of Alaska where it is day all night and night all day. Captain Clymer Jones announced that he plans to make the initial flight into the Arctic regions as soon as possible and then venture farther toward the pole if the first voyage is successful.

SCIENTISTS SERIOUSLY INJURED

While experimenting upon a chemical formula for making a metal cable by which Mars may be reached, Jesse Ambrose and Anson Hurley, two of the world's greatest scientists, were injured. The chemical compound exploded and police are still searching amid the ruins to find the bodies of those who were employed at the Hurley-Ambrose laboratory. Those who were found still alive were Dorotha Cooper, Marie Alice Charlier, Floyd Carpenter, Ruth Butner, and Mr. Hurley and Mr. Ambrose. Some employees are still missing, but it is supposed these escaped. They are Dean Bowers, Walter Gehrke, and Martina Pomeroy.

WEDDINGS

Gehrke-Raines

Miss Esther Raines, daughter of Mr. and Mrs. H. C. Raines, and Walter Gehrke, son of Mr. and Mrs. Gehrke, were quietly married yesterday afternoon at 4:00 o'clock, by Rev. Raymond Sharpe, at the Church of Cupid. The couple was attended by Gertrude Jones and Lowell Moore, friends of the couple. The bride wore a lavender sport suit, yellow hose, and red slippers, and she carried a charming bouquet of violets tied with green ribbon. The newly weds will reside at 24 Harbor Street of this city.

Smith-Wiley

The marriage of Miss Martha Wiley of Miami, Florida, to Franklin Smith of this city has been announced. They were married in April and are now preparing to leave for their honeymoon. The bride will travel in an outfit of yellow muslin and green calico and will wear on her suit a bouquet of four o'clocks, as a warning to her husband.

After their return they will be at home to their friends at 1604 Newark Avenue.

SOCIETY

Mrs. Frank Fishback, wife of Anderson's most prominent financier, delightfully entertained the Rolling Pin Club at her beautiful country home one mile west of the city yesterday afternoon.

A very philosophical lecture was given by Dr. J. Camplin, Ph. D., of Peking, China, on the subject of "Keeping Husbands Cheerful." The hostess was assisted by her mother, Mrs. W. H. Brinson, and Mrs. Kenneth Birdwell, formerly Miss Helen Beher of this city. The following officers were elected for the coming season: Edith Haven Hotzell, President; Wilma Lewis McGoan, Vice-Pres.; Emma Prigg Parker, Secretary; and Mary Mehnert Preston, Treasurer.

Mr. and Mrs. Kenneth Blake will celebrate their tenth wedding anniversary next Sunday, June 9. To have lived ten years with fewer than two fights per day is the record of this happy couple. Friends will be received from two o'clock until five o'clock. A charming six o'clock dinner is to be given at the home of the bride's mother. None but intimate friends and immediate relatives are to be present at this dinner. Mrs. Blake will wear a lovely green gossamer gown and a corsage of pink and lavender sweet peas. The talented Mrs. Blake was formerly Miss Helen Mills of this city.

At last, Homer Gelling has returned home and brings with him a bride, Miss Geraldine Cates.

Mr. Gelling is the world's greatest chicken raiser.

Mrs. Gerald Albright (Miss Elizabeth Gilmore, former Girl Reserve sponsor) will leave home shortly because of the disgusting domestic difficulties.

FAMOUS SUFFRAGETTE VISITS ANDERSON

"Down with the men!" was the theme of a lecture given by Miss Ruby Sargeant, the greatest living suffragette in Egypt, at the Man Haters' Club House, last Wednesday evening.

Appealing to the women Miss Sargeant exclaimed, "I say the time is here when women should and shall rule the nation. Don't be a footstool for your husband. Don't be his slave. Be a woman, a keen live woman. Be a suffragette."

Miss Sargeant was accompanied by her friend and traveling manager, Miss Thelma Wilkerson.

JUDGE ELLEN NELSON IMPOSES FIERCE SENTENCE

In superior court Judge Nelson went to the limit in fining the notorious Wyatt Miller for slander, drunkenness, assault and battery, and numerous other charges. Judge Nelson is determined to stamp out this most recent crime wave. From all appearances she will be most successful.

OPENING OF "NEW ROYAL SHOPPE"

Mme. Mabel Mills has recently opened one of the most exclusive and distinguished fashion shoppes in our city. The privilege of buying in such a shop is indeed rare.

Mme. Mills' favorite shades are purple and orange, vile green and scarlet, lavender and lemon.

REOWNED PRESIDENT IS VICTIM

Since Earl Cunningham, President of the U. S. and the bright and shining light of America, signed the bill stating that the word "obey" be left out of marriage ceremonies, he has been pursued, hunted, and finally captured by the weaker sex.

The bill asking that the word, "obey," be left out of marriage ceremonies and that those already married be free to consider themselves no longer under their husbands' thumbs was introduced into Congress by Senator George Armstrong, a confirmed old bachelor. The bill passed the Senate and was signed by the President, much to the disapproval of all husbands and boy friends.

Mr. Cunningham is himself the husband of a very fine young lady whom he admires greatly, and he says he wants her to have all the privileges she deserves. Mrs. Cunningham was formerly Miss Marie Simon.

Since the signing of the bill, Mr. Cunningham has been the ill fated victim of the female sex. The men are rising up in arms to suppress their wives and sweethearts.

LOCAL HEIRESS DONATES \$1,000,000 TO HOSPITAL

Miss Mildred Hughes, one of our most popular and charming debutantes of this season, has recently announced her intention of supporting financially the newest institution in our city, an infirmary for blind mice.

SPORTS ITEMS

PUNCH 'EM BROOKS IS TRUMP CARD

Since the days when Jack Dempsey and Gene Tunney used to stick one another, Fred Brooks, better known as Punch 'Em Brooks, is the best card out. In a sham battle a few days ago he entirely mutilated two of the world's heavyweight champions, Paul Bell and Phil Acker. Now Acker intends again to take up football, which is, he thinks, not such hard work. Mr. Bell is still in the hospital. Mr. Acker's wife, Hilda Plotner Acker, is very greatly worried because she expected Mr. Acker to come out of the fight with a great sum of money so that she might leave him soon. Mrs. Helen Dunham Bell sits at her husband's bedside all the time.

MARSHALL REAVIS WINS QUIXOTE CUP

Every year a name is carved on the Quixote cup which shows that one certain player has been a brave warrior. This year the name of Marshall Reavis will be placed there. Reavis has saved babies from drowning, and rescued twelve women from the hands of their cruel husbands. He has been awarded medals for bravery and now is expecting a large sum of money for having captured thirty escaped convicts. Two of his former wives helped in the capture. These two were Beatrice Safford Reavis, and

Donna Loffer Reavis. It so happens that Reavis is a gentleman in so much that he prefers blondes.

INJURY COMPELS WOOD TO LAY OFF PLAY

Harold Wood, national professional golf champion, left here by motorcycle today for a two weeks rest at Madison, Indiana, having cancelled all his engagements until June 30, as a result of injuries sustained while playing.

Wood's enforced rest is occasioned by a broken finger caused, physicians Adair Bevelheimer and Horace Crowe believe, by his using his finger for a golf stick.

RED HAIR LEAGUE WINS

A bloody football game ended. The crowd grew solemn and walked home without any sign of emotion. Many wives were accompanying their husbands to the hospital after the hard fought game was finished. Three of the bravest warriors on the Red Haired team were cheering wildly and their wives were almost hysterical because at last the famous Knock Down and Drag Out team had succumbed to a black horse team.

Each player of the undefeated team was lying unconscious when the game ended.

The three players on the Red Haired team who starred were: Frank Riffe, Robert Armington, and Versal Collins.

PRESIDENT OF ANTI-TOBACCO LEAGUE TO SPEAK HERE

Miss Charlotte Deeds, newly elected President of the Anti-Tobacco League, will deliver her nationally famous address entitled "The Evils of Nicotine," tomorrow evening in the Weidler Memorial Hall. It is interesting to note that Miss Deeds who was at one time known as America's greatest pianist, gave up her musical career to fight America's greatest menace, tobacco.

STAGE HAND IN HOSPITAL

A most disastrous accident occurred at the Orpheum Opera House last evening when Orbra Jarret, a careless stage hand, frightened by the melodious strains issuing from the throat of Helen Hellems, America's "Nightingale", let down the curtain before Miss Hellems finished her program.

Miss Hellems rushed toward Mr. Jarrett and blacked both his eyes, then knocked him down before he had recovered from his fright.

INDIAN

Mr. J. C. Black

As a token of our appreciation for his long years of service, for his friendship and guidance, and for the man that he is, we, the Senior Class of 1927, have presented to the school this painted portrait of "Daddy" Black.

INDIAN

September 6—Fall term of school starts.

September 7—Senate holds its first meeting. Charles Preston is elected President.

September 23—The Latin Club held its organization meeting and elected Esther Raines president.

September 27-28-29-30—The Science, Dramatic and Commercial Clubs held their first meetings.

September 28-29—Girl Reserves and Hi-Y organize.

October 1—Princess Pat Band favors the High School with its presence in the afternoon and at night.

October 5—First meeting of the French Club.

October 6—Spanish Club starts on its annual career.

October 7-20—Meetings of all Clubs.

October 21—State Teachers' Association. No School!

I N D I A N

October 28—"Go Slow, Mary" presented by the Senior Class. It had a big hit before an almost filled house.

October 29 Second presentation of senior class play was given. Everyone agreed that it was the best thing that was ever presented this early in the season.

November 5—Arcadia plays the opening game of the season with the Indians. The veteran team fell before the hatchet of the "Braves".

November 12—Frankton squad defeated by the Indians. Anderson experienced little difficulty in stopping the occasional spurts of speed of the visiting team.

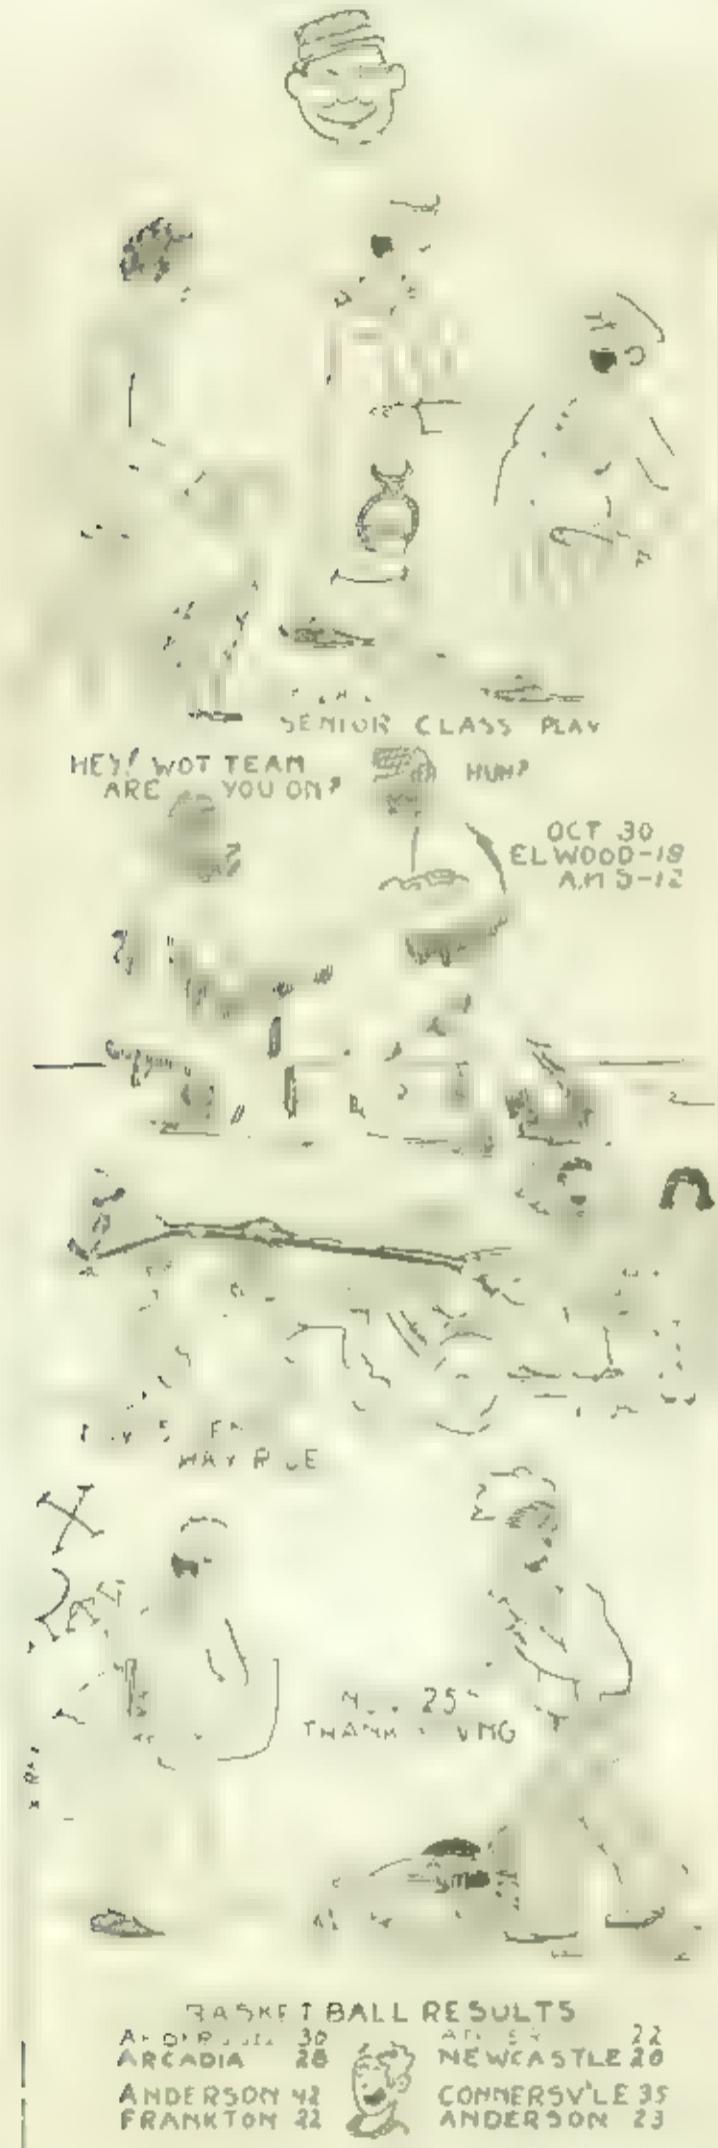

November 17 Maturity is felt among members of the fairer sex when about one-half of them appeared with "switches" poised gracefully on their domes.

November 18—Senior hayride a rollicking success. At the end of the ride a weiner roast was enjoyed in the Davis woods, west of town.

November 19—Newcastle Trojans defeated by the Indians. The game was certainly a good one, for our "old" yell-leader, "Cap" Bronnenberg, led some real "peppy" yells. When the gun was cracked, we were on top. 22-20.

INDIAN

November 24—Connersville Spartans defeat Indians, 34-23.

November 29 Congressman and Mrs. Vestal visit A. H. S. Mrs. Vestal gave some interesting explanations in connection with a motion picture of Washington. Mr. Vestal gave a short talk on the interest of the government in education.

November 31—Barnyard Frolic by Girl Reserves

December 7 Pep meeting held to boost Madame Homer concert to be held.

December 8—Four of our young vocalists sang for us.
Organization pictures taken for the Annual.

December 12—What's become of Madame Homer's concert?

December 15—Orchestra concert held in auditorium, and Christmas carols were sung.

INDIAN

December 16—All clubs and classes enjoyed Christmas Parties.

The Christmas edition of the X-Ray was published by combined staffs. It was an eight page edition and proved worth while and also worth your nickel.

December 18—The Indians simply swamped Morton of Richmond with a score something like this, 50-23.

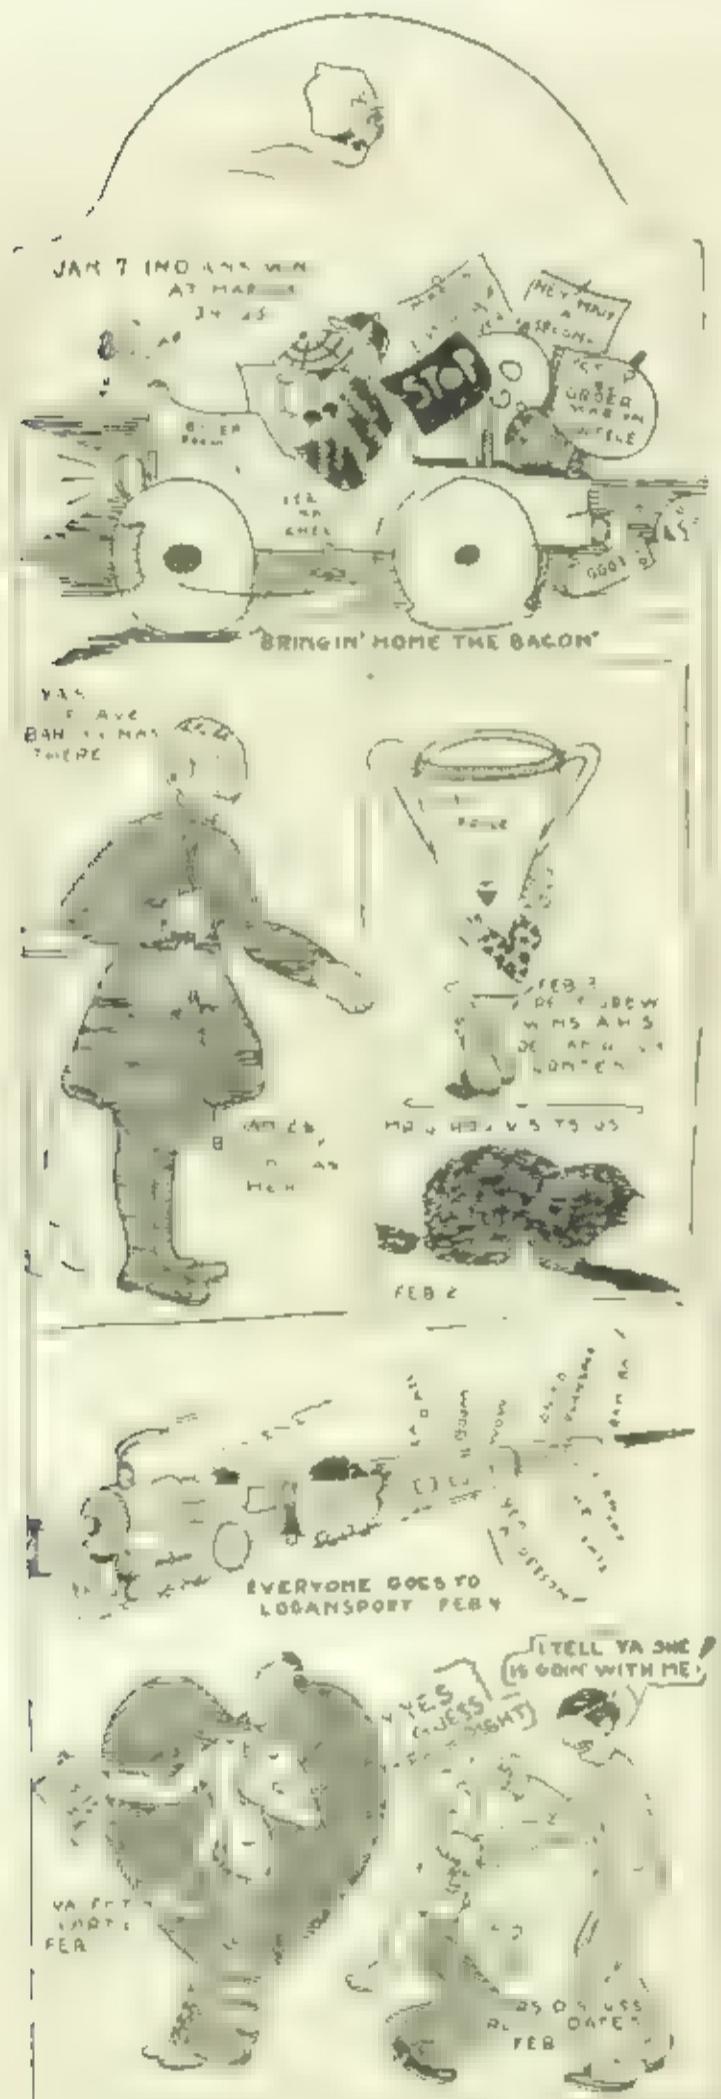

December 23—A "vacation" game. Marion defeated the Staggsmen 46-36. Marion is going strong but we feel that they'll have a relapse.

December 31—Another "vacation" game. Bedford defeated the Indians, 51-29. Just wait till the Indians get a good start!

January 3—Everyone back in the old school house after a two-week breathing spell. New Year's resolutions varied and numerous.

INDIAN

January 14—Great game with Connersville when we defeated our last year's rival, with a score of 32-30. Ockoman created a sensation with a last minute shot which gave us the game.

January 18—Miss Steele of the Art Department was quietly married to William K. Turner, of Chicago last Sunday.

January 19—Mr. Ralph Daly spoke in the auditorium. Afterwards the choruses gave an interesting exhibition.

January 21—The end of the first term.

The Indians were defeated by Vincennes, 41-18 in a one-sided contest.

January 26—Lord High Bishop, the Right Reverend E. Arthur Dunn, of British Honduras, gave an interesting address to the students.

INDIAN

January 28—Art exhibit from John Herron Art Institute, Indianapolis.

February 4—Logansport downed the Indians before an Anderson delegation of 750.

February 7—Recital given by Miss Ada Wright's vocal students.

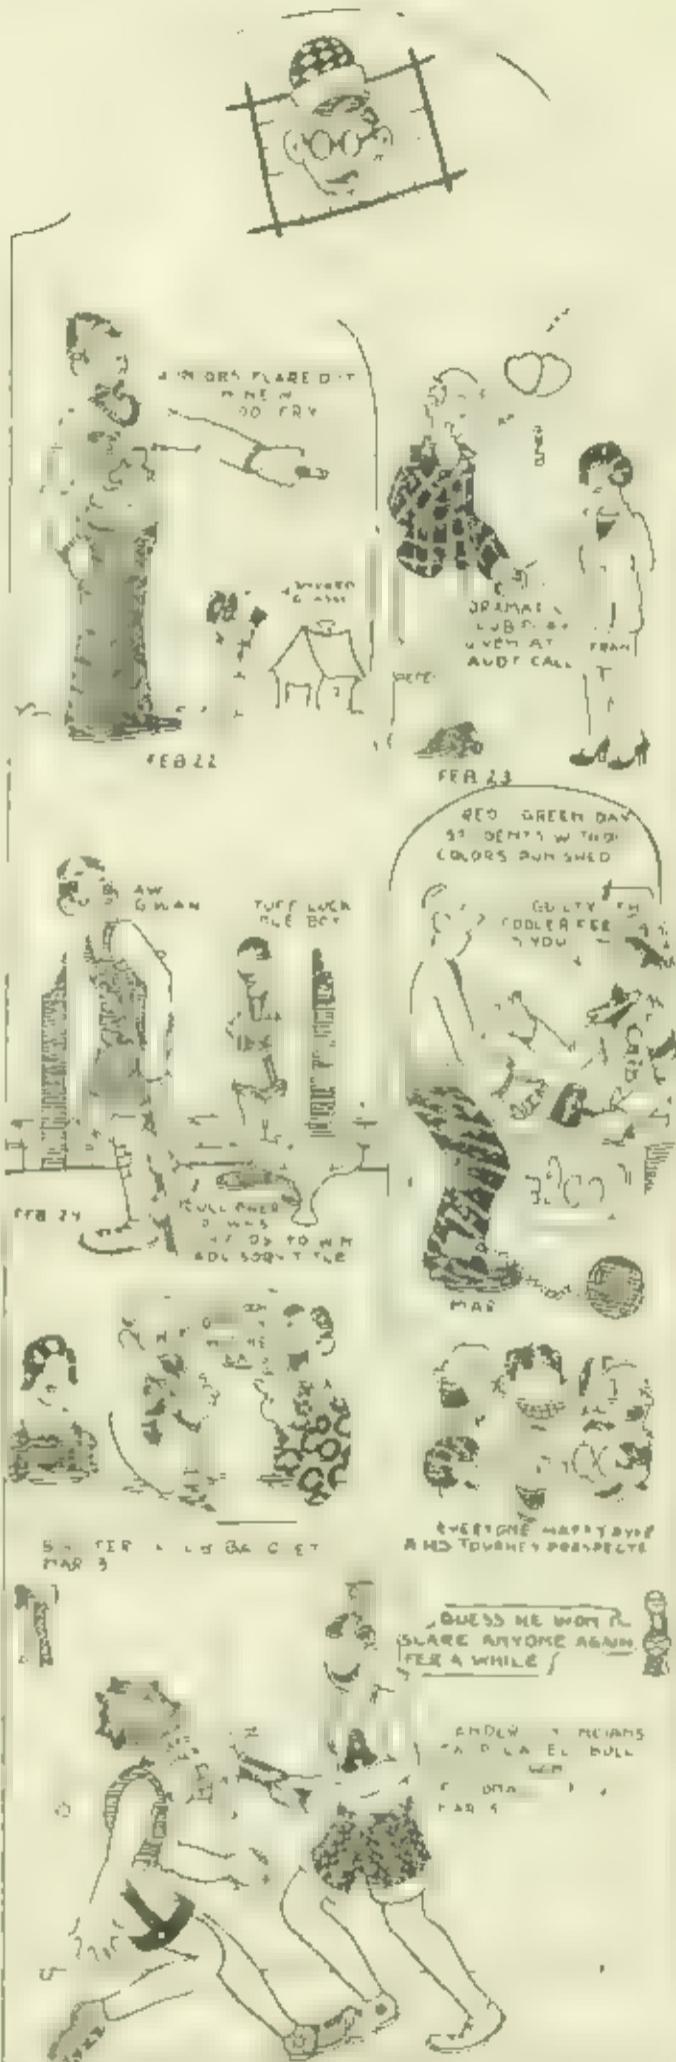

February 10—Juniors challenged Seniors to basketball game and were defeated. We seniors knew the outcome before we accepted the challenge, however.

February 11—Mrs. Louise Closser Hale gave a lecture on "The Art of Stage Make-Up."

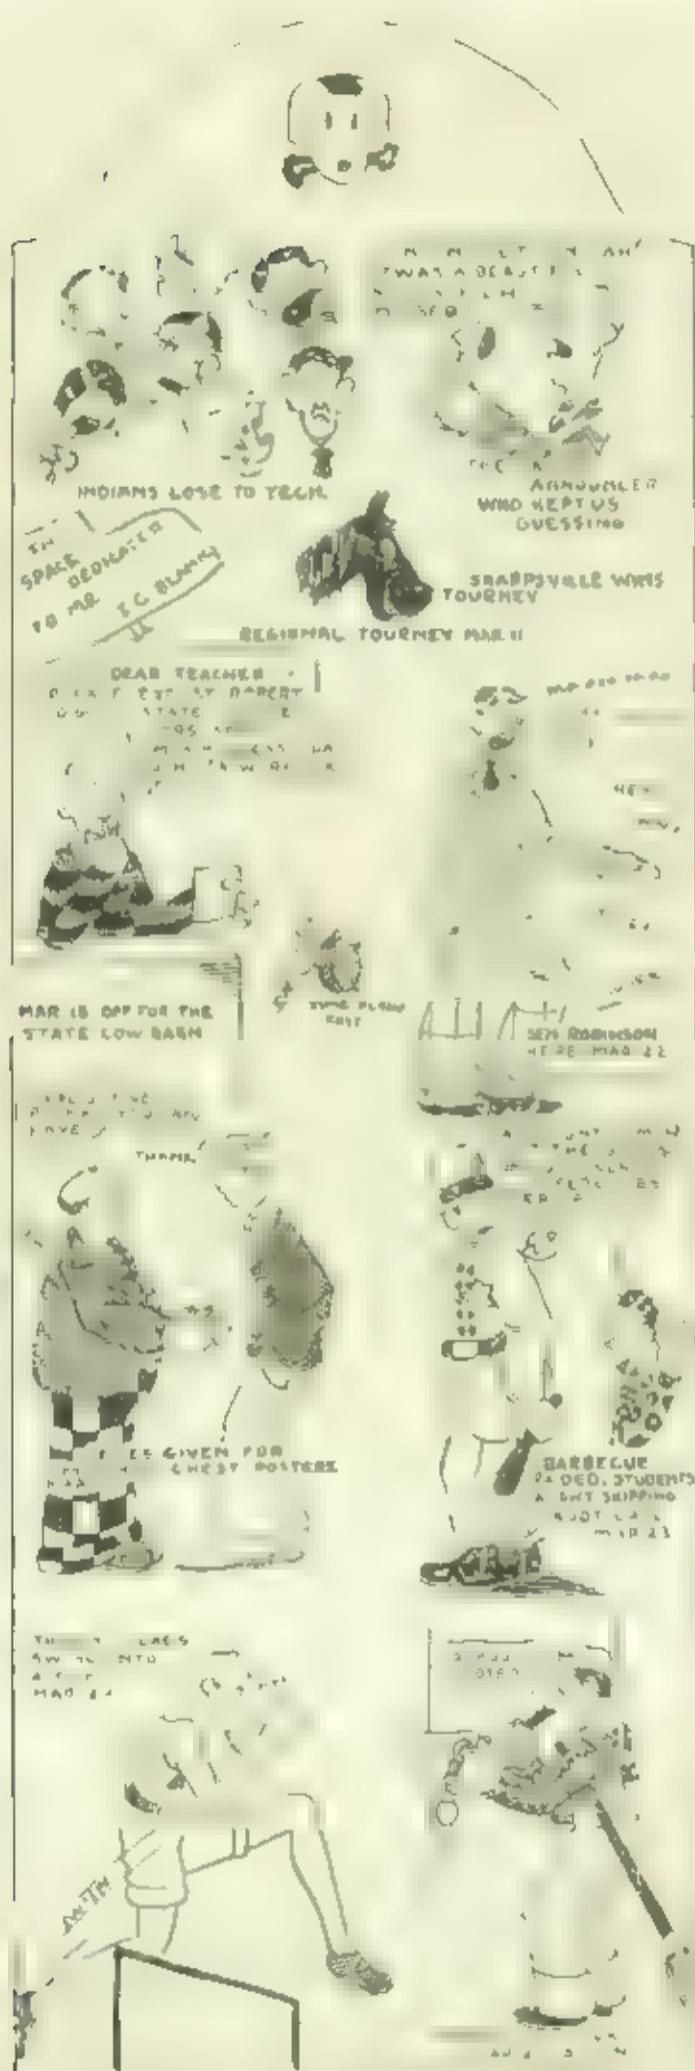

February 12—Mr. Horton chosen as city chemist.

February 18—Staggs men defeated by Bedford, 50-31.

February 21—Mr. Renzenberger left for Dallas, Texas to assist in the musical program of the National Educational Association.

INDIAN

February 28—Red and Green week opens.

March 4 The Sixteenth Annual
Sectional opens. Anderson wins.

March 11 Sampsville wins the Regional.

March 15—Plans for Senior week announced.

March 20—About one-hundred students attend State tourney.

March 21—Tourney over. Martinsville winner.

March 22 Senator Robinson addresses A. H. S. students.

March 25—School dismissed for our spring vacation.

April 4—Dr. Gillette, Y. M. C. A. Secretary in China, spoke to students concerning the condition and causes of warfare in China.

April 7—Grade cards issued. Sighs and moans are heard throughout the halls.

April 8—First track meet of the season with Tipton. Anderson took first in all events.

Sarah Smith chosen health queen of Girl Reserves.

I N D I A N

April 11—Seniors nominate ministers to deliver Baccalaureate address.

April 13—Demonstration by boys' gym classes.

Bill Sines and his "alligator" grin home for spring vacation. Bill gave us one of his famous and eloquent compositions of oratory.

April 15—Girls' Glee Club gives program to students.

April 18—Reverend Baker, of the Presbyterian Church, chosen by the seniors to deliver address at the Baccalaureate exercises on May 29.

April 19 Big track meet at Elwood. It was supposed to have been held last Saturday but was postponed because of the rainy weather. Our boys took first place in practically all of the events.

April 20—Third English essentials test.

April 22—Track meet at Richmond.

April 27—Arthur MacMurray spoke to school.

April 29 Junior Class sponsors the play "Two Blocks Away."

JUST TRY IT

A bride asked her hubby to copy the radio recipe one morning. Hubby did his best, but got two stations at once. This is what came from the loud speaker:

"Hands on hips. Place one cup of flour on shoulders, raise knees, depress toes, and wash roughly in one-half cup of milk."

Repeat six times, inhale one half teaspoon of baking powder, one cup of flour; then breathe naturally. Exhale and sift.

Attention! Jump into a position and bend whites of eggs backward and forward. Arms forward, over head, raise the cooked egg flour and in four counts make stiff dough which is stretched at waist. Lie flat in flour and roll into marbles the size of a walnut.

After ten minutes remove and wipe with a dry towel. Breathe deeply, dress in warm flannels, and serve with fish soup."

"Do you love me, darling?"
"Of course I do, Herbert."
"Herbert! My name is Arthur."
"Why, so it is, I keep thinking today
is Monday."

An elderly colored gentleman had
done some dray work and when asked
his fee, he replied, "Three comes and
three goes at four bits a went."

Frosh: "A comedy of errors."
Soph: "As you like it."
Junior: "Much ado about nothing."
Senior: "All's well that ends well."

The M. F. H. was a facetious fellow.
One day a very bright and thoroughly
inexperienced rider permitted himself
to be thrown in a most ignominious
fashion, whereupon, the master re-
marked loudly, "Now, then, my dear
sir, who told you to dismount?"

"I had orders from hindquarters,
sir," reported the victim cheerfully.

May I print a kiss on your lips, he
asked,

And she nodded her sweet permis-
sion.

So we went to press and I rather guess,
We printed a full edition.

One edition is hardly enough,

She said with a charming pout.

So we put the form in the press again,
And put some extra's out.

Art: "Don't count your chickens be-
fore they're hatched."

Friend: "Why Art, such grammar!"

Art: "What's wrong with it?"

Friend: "You ~~should~~ say: 'Do not
enumerate the juvenile fowl before the
process of incubation is thoroughly
materialized.'"

He: "It's ten o'clock."

She: "How do you know?"

He: "I've got a watch."

She: "Let's see it."

He: "It's home."
